Weddings at The Flower Fields

Looking to tie the knot? We have the perfect place for you to do it — The Flower Fields at Carlsbad Ranch® in Carlsbad, California. Not only does The Flower Fields provide its visitors with 50 acres of Giant Tecolote Ranunculus, an additional three acres of roses, orchids, sweet pea

blossoms, petunias, poinsettias, and an ocean-view; it sets the stage for weddings to take place in its newly built Paul Ecke Jr. Barn. March through May are the most ideal months for a wedding because the flowers are in bloom. However, The Flower Fields is open for weddings throughout the year (January – December), allowing guests the option to be wed in the season of their choice.

So, why should you schedule your wedding at The Flower Fields? Conveniently located in North San Diego County, The Paul Ecke Jr. Barn is nestled among a 50-acre working ranch with breathtaking views of the Pacific Ocean, making it better than any hotel in the area. It is 3,240 square feet and can accommodate up to 200 people, offering acres of outdoor space for receptions and other wedding festivities. Parking is free and spacious, providing easy accessibility for guests; and catering options are available, giving guests the opportunity to save both time and money coordinating with outside vendors.

Up to 200 people can be accommodated inside the Paul Ecke Jr. Barn.
